

# GLOBAL TRADE COMPLIANCE

Logistics Plus® is a leading provider of customs brokerage and global trade compliance solutions.

## IMPORTING AND EXPORTING CAN BE COMPLEX

It goes without saying that there are many complex regulations around importing and exporting. We have the consultants who can help simplify the complexity of those regulations and provide procedures to keep your company in compliance. No matter the origin or destination of your goods, we help you gain the knowledge to perform the due diligence necessary to ensure your shipments meet international regulations. Easily define your needs, contain costs, and minimize your risk when you work with our experienced licensed customs brokers. Our customs specialists help you comply with existing government regulations and stay ahead of changing customs compliance laws to reduce your risk, eliminate errors, and lower your costs.

*How Logistics Plus can help:*

- Landed costing for your imports
- Access a staff of licensed customs brokerage specialists
- Develop standard operating procedures and best practices
- Minimize costly delays with cargo examination coordination
- Ensure your imports and exports meet legal requirements no matter where they are located

## LOGISTICS PLUS SOLUTIONS

In addition to providing general consultation services, we can also educate your in house staff through seminars or structured training programs.
